

SMALL PUBLIC WORKS ROSTER APPLICATION

The Multi Agency Communications Center small public works roster is used to obtain the names of qualified contractors who are interested in bidding small public works projects for the Multi Agency Communications Center. These small projects have a total construction cost not exceeding \$300,000.00 and are not advertised for competitive bid.

If you are interested in bidding Small Works Roster projects, please fill out this form completely to be placed on the Small Works Roster.

Updated information will be accepted and entered into the Small Public Works Roster throughout the year.

Each type of work listed by contractor must be performed by that contractor's own staff, except General Contractors who use subcontractors to complete a portion of a project.
